Letter of Submission

To,

The Principal

Don Bosco College, Tura

Don Bosco College Tura, Sampalgre, West Garo Hills, Meghalaya 794002

Dear Dr (Fr) Jogesh B Sangma,

We are honoured to submit this updated enterprise proposal for implementing **BCL OneCampus ERP** at Don Bosco College, Tura. Your institution's commitment to academic excellence, NAAC quality culture, and public digital presence aligns with our vision of building governed, scalable, and future-ready campus platforms.

This proposal outlines a complete digital transformation roadmap — covering admissions, NEP/FYUGP academics, examinations, fees & finance, HR, library, governance, official documents, research journals, the college website CMS, Principal Desk leadership analytics, and student/faculty mobile apps — designed to reduce manual dependency and strengthen institutional governance.

BaseCode Labs Pvt. Ltd. brings higher-education domain expertise, proven implementation methodology, and long-term partnership support. We look forward to partnering with Don Bosco College, Tura.

Sincerely,

BaseCode Labs Pvt. Ltd.

Executive Summary

BaseCode Labs Pvt. Ltd. presents this proposal for the annual subscription of BCL OneCampus ERP — a comprehensive Campus Management System designed for higher educational institutions following the NEP 2020 FYUGP framework. The platform digitizes academic and administrative operations of Don Bosco College, Tura, providing a centralized, secure, and efficient system for students, faculty, office staff, and leadership — including admissions, academics, examinations, fees with reconciliation, finance, HR, official documents, library, governance, NAAC/IQAC, college website CMS, research journals, Principal Desk analytics, and mobile apps.

Current Challenges

- Excel dependency and fragmented spreadsheets
- Manual registers and paper files
- Duplicate data entry across departments
- Slow report generation for management

Proposed Solution & Benefits

- Unified BCL OneCampus ERP platform
- End-to-end automation across academics, fees & exams
- Student & faculty mobile apps + Principal Desk
- College website CMS, NAAC/IQAC & journals support

95%

reduction in manual paperwork

2.8x

faster management reporting

360°

student lifecycle visibility

About BaseCode Labs Pvt. Ltd.

BaseCode Labs Pvt. Ltd. specializes in enterprise software for educational institutions — designing, implementing, and supporting mission-critical campus platforms with modern UX and robust governance. Your Technology Growth Partner

Mission

Empower colleges with intelligent, secure, and scalable digital infrastructure.

Vision

Become the most trusted campus technology partner in Northeast India and beyond.

ERP Development

Full-stack campus ERP platforms

Mobile Applications

Student, faculty & parent apps

Support Services

SLA-backed maintenance & training

Why Digital Transformation?

Manual System

Excel / Paper

Errors & Delays

BCL OneCampus ERP

Automation & Real-Time Insights

Why Choose BCL OneCampus ERP?

Built for Higher Education

Purpose-designed for colleges and universities

NEP 2020 FYUGP Ready

Curriculum and progression aligned to NEP

NEHU Compatible

Examination and academic workflows for NEHU

Morning & Day Shift Ready

Built for multi-shift college operations

Modular & Cloud Ready

Progressive rollout with secure hosting

Mobile Apps

Student & faculty engagement on Android

Website CMS

Public college site managed from the ERP

NAAC / IQAC Ready

Evidence vault, AQAR & governance trail

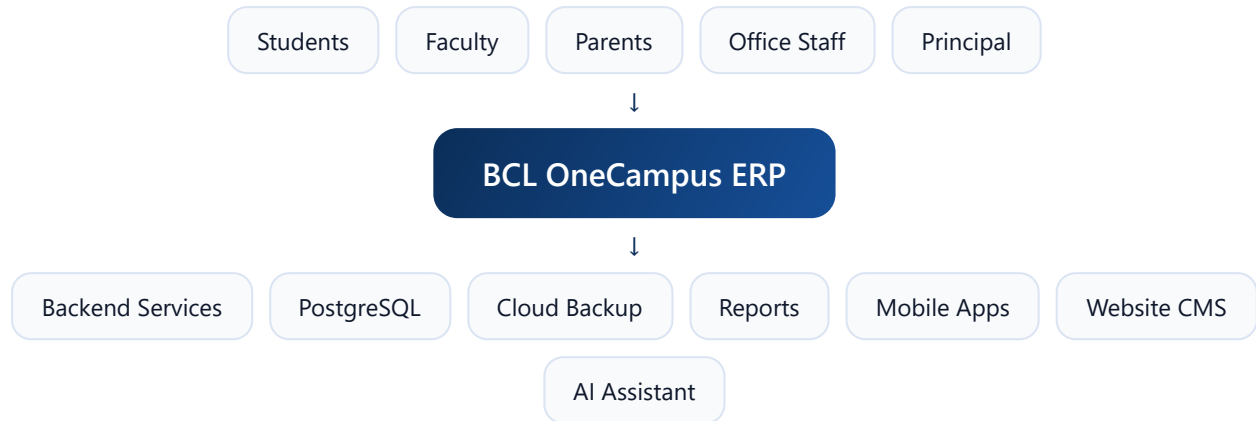

Enterprise Reports

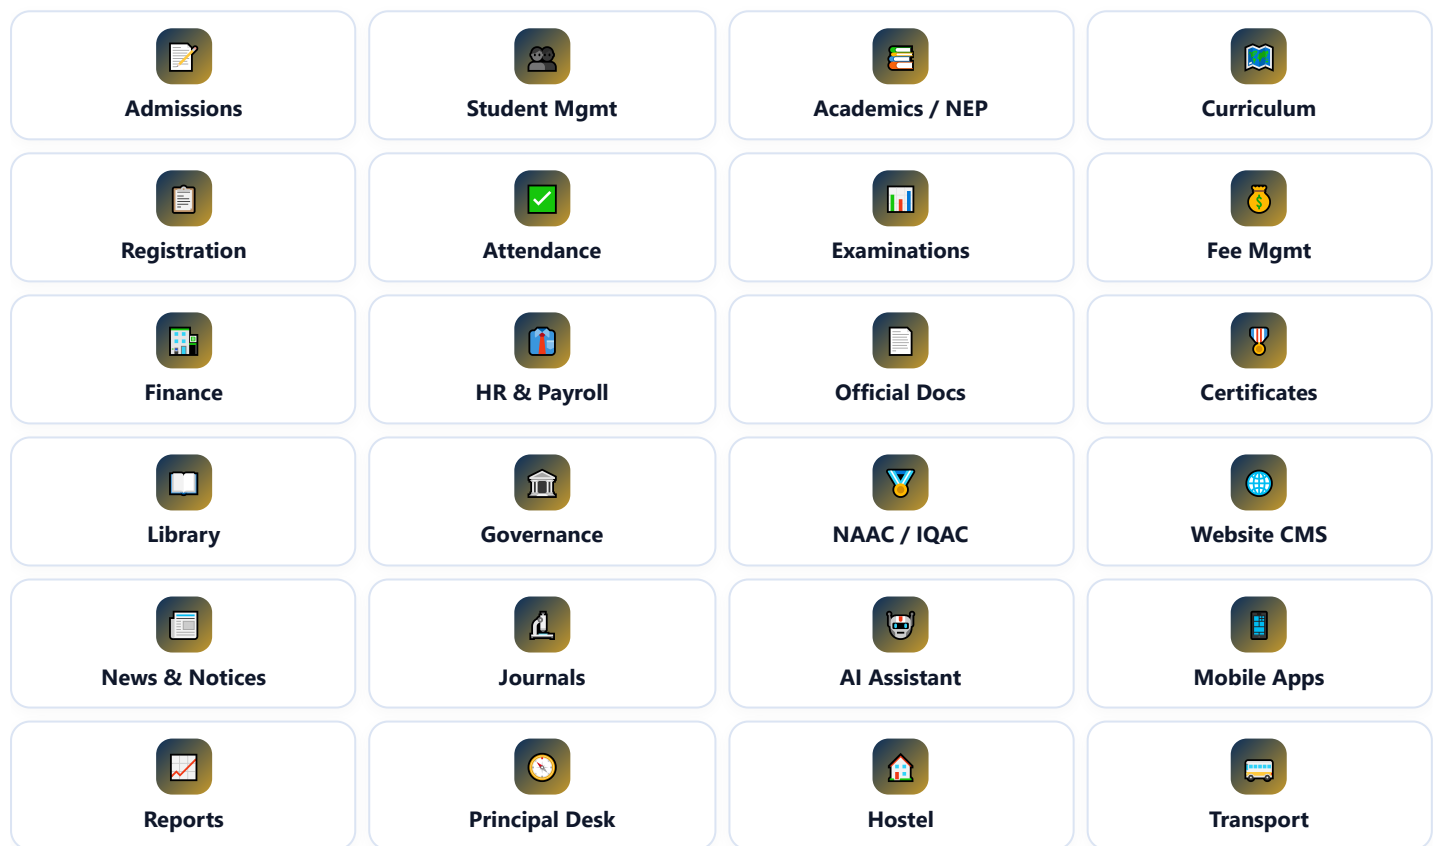

200+ reports · PDF, Excel & dashboards

System Architecture

ERP Modules Overview

Academic Module

Complete student lifecycle management from admission through graduation with NEP 2020 / FYUGP-aligned academic structures, ABC ID support, and Morning & Day shift operations.

Online Admissions

Student Information

NEP Academic Engine

Curriculum Mapping

Subject Registration

Morning & Day Shift

Promotion

Attendance

Timetable

Internal Assessment

Examination

Result Processing

Transcript & Grade Card

ABC ID

Student Lifecycle

- Online applications, merit & document verification
- Directory, bulk import, photos, transfer & re-admission
- Programme, curriculum & semester management
- Timetable engine, LMS, assignments & quizzes
- Question bank, syllabus repository & OBE hooks

Academic Dashboard

Program-wise analytics, performance trends, credit ledger visibility, and progress tracking for HODs and leadership.

Fee Management

Capabilities

- Fee structure — admission, semester & examination fees
- Demand generation & collection center
- Scholarships, concessions & student ledger
- Online payment, receipts & daily collection reports
- Fee defaulter intelligence & examination / back-paper fees
- **Fee reconciliation** — match collections, demands, ledger balances, and bank / gateway settlements for accurate period closing

Fee Collection Intelligence

Track real-time collections, dues, concessions, and cashflow trends across periods — visible to accounts and the Principal Desk. Reconciliation tools help accounts verify that what was demanded, collected, and settled is consistent and audit-ready.

Finance & Accounts

Chart of Accounts

Financial Reports

Examination Module

- Exam session planning and IA timetable management
- Student registration and admit card workflows
- Semester examination fees and back paper handling
- Mark entry, defaulter tracking, and result analytics
- University submission exports (NEHU compatible)

Examination Analytics

Result distribution, defaulter patterns, and performance intelligence by semester for academic leadership.

Mobile Applications (Android)

Student App

- Attendance, timetable & academic calendar
- Fee payment, receipts, results & exam fees
- Library, leave, certificates & assignments
- Syllabus, notices, push notifications & QR/RFID login

Faculty App

- Attendance marking & marks entry
- Timetable, teaching load & leave
- Payroll / payslips & circulars
- Student roster & push preferences

Principal Desk

A leadership command center for institutional health without requiring full admin complexity.

Student Strength

2,200

Admissions

Live intake tracking

Fee Collection

Daily & monthly trends

Attendance

Shift-wise analytics

Exams & Results

Notices

Institutional communications

College Website CMS

A modern public website for Don Bosco College, Tura, managed from the ERP — so notices, news, and institutional pages stay accurate without depending on external vendors for every edit.

Public Website

- Homepage builder, hero slider & branding
- About Us, Administration, Academics & Campus Life
- News, notice board, announcements & gallery
- Departments, faculty profiles & programmes
- Governing Body, Organogram, IQAC, NAAC, NIRF, AISHE & more
- Contact forms, newsletter & ERP login link

CMS Controls

- Pages, media library & document uploads
- Menus, SEO, publishing & revisions
- FYUG interest / admission enquiry capture
- Blood donor registry & public forms
- Role-based editors with publish workflow

Research Journals Portal

[Manuscript Submission](#)[Peer Review](#)[Revisions](#)[Production](#)[DOI / Metadata](#)[OAI Harvesting](#)[Author Dashboard](#)

Supports college-run journals with a structured editorial workflow from submission to publication.

Governance, NAAC / IQAC & Official Documents

Governance

Committees, meetings, ATR & notices

NAAC / IQAC

Criteria, evidence vault, AQAR & DVV

Official Documents

Notices, circulars, office orders & e-sign

HR & Payroll

Leave, substitutes, appraisal & payslips

Library

Catalogue, circulation & NAAC reports

Campus Ops

Hostel, transport, inventory & helpdesk

Artificial Intelligence

Natural language search across institutional data — ask questions in plain English and receive governed, permission-aware answers.

"Show today's fee collection"

"Show Semester V students"

"Generate attendance report"

"Find fee defaulters"

"Explain syllabus structure"

"Show today's expenses"

"Generate Trial Balance"

"List pending admissions"

Annual Subscription

Component	Details	Amount
Annual ERP Subscription	₹100 × 2,200 students (approx.)	₹2,20,000
Implementation & Onboarding (one-time)	Included in annual subscription	₹0
Support & Success Program	Included in annual subscription	₹0
Total Annual Commercial Value		₹2,20,000

Calculation

- **2,020 Students × ₹100 = ₹2,02,000** per Academic Year
- **Average Cost per Student per Month:** ₹100 ÷ 12 = **₹8.33** per student per month
- The annual subscription will be **recalculated each academic year** based on the officially enrolled student strength.

Annual Subscription Includes

- Unlimited ERP usage for authorized users
- Student & Faculty mobile applications
- College website CMS & public site
- Software maintenance, bug fixes & security updates
- Technical support & database maintenance
- Feature improvements & user training / documentation
- Implementation, onboarding & go-live support

Per-Student Rate

₹100

Estimated Students

2,200

Total Annual Subscription

₹2,20,000

Commercial Terms

Annual subscription model

Billing per enrolled student / academic year

Rate ₹100/student

Support included in active subscription

Feature enhancements included where applicable

Return on Investment

Aspect	Without ERP	With BCL OneCampus ERP
Data Management	Excel spreadsheets	Centralized database
Records	Manual registers	Paperless workflows
Operations	Duplicate work	Automated processes
Reporting	Slow manual reports	Instant PDF/Excel reports
Access	Office-bound	Mobile + web anywhere
Public Website	Vendor-dependent updates	In-house CMS publishing
Leadership	Delayed visibility	Real-time Principal Desk
Accreditation	Scattered evidence	NAAC/IQAC vault & trail

Terms & Conditions

- **Payment Terms:** Subscription fees payable annually in advance unless otherwise agreed.
- **Renewal:** Auto-renewal with 30-day prior notice for rate adjustments.
- **Support Policy:** Remote support during business hours; priority SLA for critical issues.
- **Data Ownership:** All institutional data remains property of Don Bosco College, Tura.
- **Confidentiality:** Both parties maintain strict confidentiality of proprietary information.
- **Termination:** Either party may terminate with 90-day written notice.
- **Force Majeure:** Neither party liable for delays due to events beyond reasonable control.
- **Software Usage Rights:** Non-exclusive, non-transferable license for institutional use.
- **Liability:** Limited to fees paid in the preceding 12-month period.
